Sample letter 1

Dear MP

I am writing to you to express my concern over the forthcoming HFE bill. I am particularly concerned about

- Any further liberalisation of the abortion laws.

There are already 600 abortions EVERY SINGLE DAY. Please do not vote to all abortion to become even more common.

My own vote at the next General Election will depend upon how you vote on this vital issue, so please let me know where you stand.

Kind regards

Sample letter 2

DearMP

I understand that there will shortly be votes in the House of Commons on the HFE bill – including a proposal to allow scientists to mix animal and human tissue to create ‘hybrid embryos’.

I believe this to be wrong, and I ask you to vote against such proposals.

My own vote at the next general election will depend upon how you vote on these issues, so please let me know where you stand on these vital issues.

Kind regards
