Frederic Ozanam founded the St Vincent de Paul Society in 1844 to combat poverty in all its forms. 175 years later the St Vincent de Paul Society in England & Wales continues Frederic Ozanam's work through a wide range of services to those in need.

This Christmas please support the work of the Society in England and Wales by buying Christmas Cards and/or sending someone you know an alternative gift certificate for an aspect of SVP work.

Please help us turn concern into action this Christmas.

SVP Holidays

Every year, families and children from across England and Wales who are living in difficult circumstances facing disadvantage or living in poverty are offered the opportunity of a holiday at the Ozanam Centre in North Wales. Those attending are otherwise unable to take holidays due to their financial or personal circumstances and so these breaks become the highlight of their year, as expressed by a family from Liverpool: "This was our first holiday in seven years. The first for our youngest son."

Gifts of £10, £25 or £50 to help send a family to the SVP holiday centre in North Wales.

SVP Food Parcels

Miriam was struggling to make ends meet after she stopped working to care for her husband who had recently had a stroke. Their income plummeted and the family's entitlement to benefits was incorrectly calculated, meaning they barely had enough to cover the family's basic needs. With Christmas fast approaching. The SVP befriended the family and was able to help with food parcels, gifts and practical support.

Gifts of £5, £15 or £20 to help pay for a food parcel for someone this Christmas.

SVP Furniture Delivery

"I want to thank you for helping to furnish my home following an all too long time in prison. I never thought I'd be saying so to anyone, but I really do not know what I would have done without you. Your support has given me a very real home from which I feel I am much more able to try to move forward with my life. The manner in which I have been helped was an example to anyone who might wonder what Christian kindness looks like in action. Even though I am an atheist, it was shinningly clear to me. I am beginning to look forward rather than back and your help is a significant part of that shift."

Gifts of £15, £35 or £50 to help keep the SVP furniture delivery vans on the road.

Since declaring bankruptcy Dawn has been helped by the debt advisor to manage her finances and is receiving the support of a general counsellor through weekly sessions to address related psychological problems.

Gifts of £15, £30 or £60 to help the SVP provide free debt advice and general counselling to those in difficulty.
