

THE CRISIS IN SUDAN

St Vincent de Paul Society (England & Wales) has launched a long term sponsorship programme to aid the humanitarian crisis in Sudan.

Malnutrition, disease and violence have killed over 400,000 Sudanese people in the last three years. More than four million people have been forced from their homes and into Displaced Person Camps. Conditions in the camps are poor and often there is no clean water, road access, electricity or sewerage. That is equivalent to the entire population of Wales and Northern Ireland being forced to live without basic amenities.

The SVP in Sudan is already supporting hundreds of thousands of people. Together with local people, the SVP has developed projects including:

- baby feeding programmes
- the vocational training projects
- medical care
- foster homes for orphans

The SVP's projects in Sudan are now facing a major funding crisis. Without committed support the future of these projects is in jeopardy.

The **Sudan Sponsorship Appeal** aims to secure committed support for at least the next five years. For as little as 10p per day the life of a baby could be saved by the SVP baby-feeding programme. The situation in Sudan shows little sign of improving so it is vital that projects such as these continue.

Please support this appeal and complete this sponsorship form. Additional sponsorship forms can be downloaded from www.twinnage.org.uk or can be ordered through the SVP National Office, telephone number 020 74074644. If you would like to support this appeal please get in touch.

Many lives have been lost in Sudan, but countless more could be saved. Please think seriously about how you might help, and keep this important work in your prayers.

All sponsorship forms, cheques and donations should be sent to:
