

# Give Your hands to God!

As Mini Vinnies you are called to be God's hands here on Earth!

God doesn't have hands in the same way we do, instead he often guides our hands into doing his holy work. He can guide our hands through prayer and scripture, bringing help to where it is most needed.

Let's commit to doing all we can to help those in need, to help those whom God is guiding us to.

Let's get started

BANNER INCLUDED

First, you will either need to print off the banner included [here](#), or make your own.

Next, you will need to make handprints of your hands using paint and paper.  
Remember to cut them out neatly.

Then all you need to do is stick your handprint onto the banner along with all the other Mini Vinnies and display it somewhere you can all see it.

Finally, make sure you pray to God to guide you in using your hands and to fill your heart with compassion. If you cannot think of a prayer, one is included below.

Father, we thank you for guiding us in doing your holy work and we pray that you will keep guiding us. Help us to see with loving eyes, and care with compassionate hearts as we use our hands to do your will. Amen
