

# Writing a letter to Your MP

This worksheet is here to help you structure and format a letter to your local MP. The topic of your letter is up to your Mini Vinnie group but we recommend choosing an issue which is particularly pressing within your local area.

Name of your MP

Name of your group

## Introduction

This is where you need to tell your MP who you are and why you are writing to them.

## Main Body

Get passionate! Explain what you want them to change and how they can help you. Try and be as specific as you can.

## Conclusion

It's time to wrap it up! Summarise all the points you've made and make one final plea for their help.

Name of your group

Remember to pray both before and after writing the letter! After all it's not your words you need to get across to your MP, it's God's.
